Ref No.: 1983363 Contact Type: Complaint Source: Consumer TCS? N

Comments: I purchased the Phazer product that is advertised to jam police radar (X, K, & Ka bands) as well as laser. It does none of the above. I realize that jamming police radar is a felony. Jamming laser is not in Alabama & most states. It is regulated by the FDA. This is fraud. Speedlabs.com has tested this product as has numerous others & it has never passed a test yet.
